# Landing

Wireframe

Iteration 1

Final

1.4 | **Official Logo** | As a staff member, I want the home page to prominently feature the organization's official logo to establish visual trust and clearly signal that I'm in the right place.

1.5 | **Login Button** | As a staff member, I want a clearly styled login button on the home page so I can immediately access the system without confusion.

1.6 | **Register Child (logged-out)** | As a staff member, I want a visually distinct registration button for caregivers to make the registration process easy to find and initiate.

# Account Registration Form

Landing

Wireframe

The wireframe shows a registration form with the following structure:

- Registration Popup:** A light gray box containing input fields for First Name, Last Name, Email, and Password.
- Staff Registration:** A light gray box below the registration form.
- Register Child:** A light gray box below the staff registration.
- Register:** A button labeled "Register" at the bottom of the registration form.

Final

The final design of the account registration form includes the following elements:

- Header:** A green bar with a white flower icon.
- Form Fields:** A white box containing:
  - USERNAME:** Type username ...
  - PASSWORD:** Type password ...
  - RE-ENTER:** Re-enter password ...
  - EMAIL:** example@gmail.com
- Sign-up Button:** A large green button labeled "Sign-up".

1.7 | Account Registration Form | As a staff member, I want a minimal, uncluttered account registration form that collects only essential information, so the process feels focused and purposeful.

Iteration 3

# Members

## Wireframe

## Iteration 1

The iteration 1 Child Records interface features a search form with the following fields:

- First Name: [Input field]
- Last Name: [Input field]
- Attendance: [Dropdown menu]
- Gender: [Dropdown menu]
- ID Number: [Input field]
- Barangay: [Input field]
- Age Range: [Dropdown menu]
- Disability Type: [Dropdown menu]
- Educational Status: [Dropdown menu]
- Service Received: [Dropdown menu]
- Service Needed: [Dropdown menu]

At the bottom right of the search form is a 'Search' button.

The List of Children interface displays a table of children:

First Name	Last Name	Nickname	Birthday	Age	Sex
Roan	Campo	The Recorder	05/25/05	20	M
Paolo	Rivera	Shoufou	05/25/05	20	M
Mariella Jeans	Dellosa	Jeans	05/25/05	20	F
Bea Antoinette	Uy	Bea	05/25/05	20	F
Gideon	Chua	Hootaw	05/25/05	20	M

The List of Children interface displays a table of disability categories:

Disability Category (DOH)	Disability Nature	Cases per Disability
Physical	Congenital Michocephaly	Physical Intellectual
Deaf/ Hard of Hearing	Deaf	Hearing Impairment (Har.)
Visual	VISUAL IMPAIRMENT	Visual
Learning	autism spectrum disorder	Learning
Intellectual	Down syndrome	Intellectual

1.12 | Families List | As a staff member, I want a structured view of families that clearly connects caregivers with their children, so family relationships are immediately understandable.

# Pending List

# Members

## Wireframe

The wireframe shows a top navigation bar with 'MEMBERS' and 'EVENTS' tabs. Below it is a 'PROFILE' section. A main content area displays a table with columns: 'children', 'guardians', 'family membership', and 'pending (2)'. A 'filter' input field is located below the table.

name	med cert	birth cert	barangay cert
	missing	missing	missing
	missing		missing

## Iteration 1

The interface has a dark background. The top navigation bar includes 'Home', 'Members', 'Events', 'Reports', and a user profile icon. Below it is a secondary navigation bar with 'Children', 'Caregivers', 'Families', and 'Pending (5)'. A 'Filter' dropdown and a search bar ('Insert keyword..') are present. A table lists pending verifications:

First Name	Last Name	Med Cert	Birth Cert	Brgy Cert	Intervention Plan
Roan	Campo	Missing	Missing	Missing	Missing
Paolo	Rivera	Missing	Missing	Missing	Missing
Mariella Jeans	Dellosa	Missing	Missing	Missing	Missing
Bea Antoinette	Uy	Missing	Missing	Submitted	Missing
Gideon	Chua	Missing	Missing	Missing	Missing

## Final

The final version features a light-colored header bar with 'Home', 'Members', 'Reports', and a user profile icon. Below it is a 'Pending' tab in the navigation bar. The main content area is titled 'List of Children with Pending Verification' and includes a 'Filter' section with fields for First name, Last name, Medical Certificate, Birth Certificate, Barangay Certificate, and Intervention Plan. A 'Reset Filters' button is also present. The table below shows results for 22 entries:

First Name	Last Name	Med Cert	Birth Cert	Brgy Cert	Intervention Plan
TEST_Child2	TEST_Lastname2	X	X	X	X
TEST_Child1	TEST_Lastname1	X	X	X	X

# Events

# Target Activities Lists

Events

Iteration 1

The screenshot shows a green-themed web interface for KAISAKA Inc. At the top, there are navigation links for Home, Events, and Members. Below this, a section titled "Planned Events" features a table with two rows of data. The columns are "Planned Activity ID", "Service Objective", "Service Type", and "Target No. of Participants". The first row has values: 12308110, service obj, service type ▾, 25. The second row has values: sample id., service obj, service type ▾, 50. A pink button labeled "Add New Record" is located at the top right of the table. The background includes a logo of a stylized tree and the organization's name "KAISAKA Inc.".

Iteration 2

The screenshot shows a dark-themed web interface for target activities. At the top, there are navigation links for Home, Members, Events, Reports, and a user icon. Below this, a header bar has tabs for "Target" and "Activities", with "Target" being active. A sub-header below the tabs displays the URL "GET events/target/add/" and includes a "Filter" dropdown and a search bar with placeholder text "Insert keyword..". A pink "Add" button is located to the right of the search bar. The main content area is a table with five rows of data. The columns are "Category", "↑ Target Participants", and "Major Target Activities". The data is as follows:

Category	↑ Target Participants	Major Target Activities
{event category}	30	{target activity}
{event category}	3	{target activity}
{event category}	35	{target activity}
{event category}	40	{target activity}
{event category}	90	{target activity}

1.14 | As a staff member, I want a clearly presented list of target activities, categorized and labeled, so I can easily understand event objectives at a glance.

1.16 | As a staff member, I want an event attendance view that's easy to navigate and visually signals attendance status, so I can assess participation at a glance.

# Completed Activities List

Events

Iteration 1

The screenshot shows a web application interface for KAISAKA Inc. At the top, there is a navigation bar with icons for Home, Events, and Members. Below the navigation bar, a section titled "Accomplished Events" is displayed. This section includes a table with columns: Conducted Activity ID, Planned Activity ID, Service Name, Service Type, Date Conducted, Time Conducted, and Status. Two rows of sample data are shown: one where the status is "Completed" and another where it is "Cancelled". The background features a green and yellow gradient with a stylized leaf logo and the text "Kaisahan ng Magulang at Anak na may Kapansanan KAISAKA Inc.". A pink button labeled "Add New Record" is visible.

Iteration 2

The screenshot shows a web application interface for KAISAKA Inc. At the top, there is a navigation bar with icons for Home, Members, Events, and Reports. Below the navigation bar, a section titled "Activities" is displayed. This section includes a search bar with a "Filter" dropdown and a "Q" icon, followed by a "Add" button. Below the search bar is a table with columns: Objective, Name, and Date. Four rows of sample data are shown under the "Education" objective: SAMPLE EVENT NAME, SAMPLE DATE. The same entries are repeated for Health, Social, and Livelihood objectives. The background is dark with a pink header bar.

1.15 | As a staff member, I want a dated list of completed activities with a clean, uniform layout to track progress and review past events efficiently.

# Reports

Iteration 1

Iteration 2

Final

1.9 | As a staff member, I want an intuitive, well-labeled navigation bar that helps me move between pages without needing to think twice.

Loading screen cover

The screenshot shows a web application interface. At the top, there's a navigation bar with icons for Home, Members, and Reports. Below it, a modal window titled "Edit Report Period" is open. The modal contains fields for "Report Year" (2024 to 2025), "Report Month" (6 to 12), "Report Date" (31 to 31), and several other report-related metrics like target and actual CWD counts. At the bottom of the modal are "Cancel" and "Submit" buttons. In the background, there's a table with columns for dates, counts, and "Edit" and "Export" buttons. A large, semi-transparent circular loading indicator is centered over the entire page.

Button
