Profiles

Iteration 2

The screenshot shows a dark-themed web application for managing caregiver profiles. At the top, there's a navigation bar with icons for Home, Members, Events, and Reports. Below the navigation is a sidebar with links for Information, Family, and Attendance. The main content area is titled '{CAREGIVER NAME}'s Profile' and contains a 'Information' section with fields for First Name, Last Name, Contact Number, Facebook Link, Email, Address, Barangay, Date of Admission, and Date of Termination. There's also a 'Remarks' text area.

This screenshot shows the same interface as above, but with additional sections for 'Training and Attendance'. The 'Attendance' section displays a table of events with columns for Event Name, Event Type, and Date Attended. It includes dropdown menus for event names and types. The 'Family' section shows a grid of family members categorized by role (Caregiver, Child) and name (e.g., Paolo Rivera, Sample Name).

Final

The final version of the interface has a light pink header with a profile icon. The main content area is titled 'mom Targaryean's Profile'. It features a sidebar with 'Information', 'Family', 'Community Group', and 'Income Type' sections. The 'Information' section contains detailed personal information like First Name (mom), Last Name (Targaryean), Birthday (1979-06-13), Sex (Female), Contact No. (1234151), Facebook Link (testlink.com), Email (uhuh an email@yahoo.com), Address (somewhere), Barangay (-), Occupation (Therapist), and Date of Admission (07/06/2025). The 'Families' section lists 'Targaryean' and 'Targaryean, Snow' families, each with a 'Mother' and 'Child' member. The 'Community Group' section shows a date range from 2025-07-31 to Present and a group category 'Others'. The 'Income Type' section shows a date range from 2025-07-31 to Present and an income type 'Self-employed'.

Iteration 2

The screenshot shows a revised version of the web application. The header now includes a logo of a stylized flower or leaf, followed by links for Home, Members, Events, and Reports. A navigation bar below the header has tabs for Target, Activities, and Reports, with the Activities tab currently selected. A search bar with a placeholder "Insert keywords..." and a button labeled "Add" is present. Below the search bar is a table with columns: Objective, Name, and Date. It lists four sample events under the "Education" objective. The background is dark with a light green diagonal band.

Objective	Name	Date
Education	SAMPLE EVENT NAME	SAMPLE DATE
Health	SAMPLE EVENT NAME	SAMPLE DATE
Social	SAMPLE EVENT NAME	SAMPLE DATE
Livelihood	SAMPLE EVENT NAME	SAMPLE DATE

Loading screen cover

The screenshot shows a web application interface. At the top, there's a navigation bar with icons for Home, Members, and Reports. Below it, a modal window titled "Edit Report Period" is open. The modal contains fields for "Report Year" (2024 to 2025), "Report Month" (6 to 12), "Report Date" (31 to 31), and several other report-related metrics like target and actual CWD counts. At the bottom of the modal are "Cancel" and "Submit" buttons. In the background, below the modal, there's a table with columns for dates, counts, and "Edit" and "Export" buttons. A large, semi-transparent circular loading icon is centered over the entire page, indicating that the application is still processing or loading data.
